Inmates shall be supervised by an adequate number of jailers to comply with state law and this chapter. One jailer shall be provided on each floor of the facility where 10 or more inmates are housed, with no less than 1 jailer per 48 inmates or increment thereof on each floor for direct inmate supervision.

**During a review of staffing rosters, it was determined that the facility is not meeting the 1:48 officer to inmate ratio at all times as required by minimum jail standards.**

Provide maximum time limits not to exceed 60 days with interim response not to exceed 15 days for written replies by the grievance board.

**During a review of inmate grievances, it was determined that jail staff are not providing a 15 day interim response on every grievance as required by minimum jail standards.**

Each facility shall have and implement a written plan, approved by the Commission, for inmate physical exercise and physical recreation. Documentation of physical exercise and physical recreation shall be maintained for Commission review. Each inmate shall be allowed one hour of supervised physical exercise or physical recreation at least three days per week.

**While reviewing inmate recreation logs, it was determined that staff are not offering recreation for one (1) hour at least three (3) days a week as required by minimum jail standards.**
