

**TEXAS COMMISSION ON JAIL STANDARDS
SPECIAL INSPECTION REPORT**

Facility Name: Bowie (P) County Jail

Date:

October 15, 2019

Item	Section	Paragraph	Comments
1	273	.3	<p>All medical instructions of designated physicians shall be followed.</p> <p>After reviewing medical administration records and discussions with facility administration, it was determined that all medical instructions of designated physicians were not followed as required.</p>
2	273	.2(6)	<p>Each facility shall provide procedures for the control, distribution, secured storage, inventory, and disposal of prescriptions, syringes, needles, and hazardous waste containers.</p> <p>After reviewing medical records and discussions with facility administration, it was determined that a family member of an inmate delivered medication(s) to the jail on behalf of a loved one. However, neither the name of the medication nor the type of medication was noted in the medication records and therefore, could not be verified.</p>
