

**TEXAS COMMISSION ON JAIL STANDARDS
JAIL INSPECTION REPORT**

Facility Name: Fisher Co. Jail

Date:

April 6, 2017

Item	Section	Paragraph	Comments
1	263	.41	<p>Training of staff for emergency situations shall be provided immediately upon employment and no less than each calendar quarter for all jail personnel to include fire, emergency, evacuation drills, and location and use of equipment.</p> <p>After reviewing life safety documentation, it was determined that no jail staff participated in quarterly life safety training for the fourth quarter of 2016 as required by minimum jail standards.</p>
2	263	.55	<p>All life safety equipment shall be inspected, maintained, and tested by persons qualified to do so (whether under vendor contract, by state or private agency or otherwise) in order that such equipment shall be safe, secure, and fully operative at all times.</p> <p>During the review of life safety documentation, it was revealed that the Ansul Hood system was not being inspected every six months as required by NFPA. The Ansul Hood was last inspected on April 19, 2016.</p>
3	281	.5	<p>Food shall be prepared under the supervision of a staff member or contract employee and shall be served only under the immediate supervision of a staff member. Care shall be taken that hot foods are served reasonably warm and that cold foods are served reasonably cold.</p> <p>Inmates are not being supervised by facility staff in the kitchen area during food preparation and/or during the serving/prepping of the trays.</p>
