

**TEXAS COMMISSION ON JAIL STANDARDS
JAIL INSPECTION REPORT**

Facility Name: Anderson County Jail

Date:

September 3-4, 2019

Item	Section	Paragraph	Comments
1	273	.4 (b)	<p>Separate health records shall reflect all subsequent findings, diagnoses, treatment, disposition, special housing assignments, medical isolation, distribution of medications, and the name of any institution to which the inmate's health record has been released.</p> <p>During the inspection, it was determined that the medical staff are not utilizing paper Medication Administration Records (MAR) sheets since the failed implementation of an electronic MAR system in July 2019.</p>
