

**TEXAS COMMISSION ON JAIL STANDARDS
SPECIAL INSPECTION REPORT**

Facility Name: Crosby County Jail

Date:

March 7, 2018

Item	Section	Paragraph	Comments
1	275	.1	Regular Observation by Jailers. Every facility shall have the appropriate number of jailers at the facility 24 hours each day. Facilities shall have an established procedure for documented, face-to-face observation of all inmates by jailers no less than once every 60 minutes.

After reviewing the video evidence of visual face-to-face observations for 1-11-2018, it was determined that jailer exceeded the 60 minute observations as required by minimum jail standards from 1 minute to approximately 3 hours. A review of the observation logs indicated that the jailer conducted visual face-to-face observations within minimum jail standards. However, the video evidence does not support the written documentation.
