

**TEXAS COMMISSION ON JAIL STANDARDS
JAIL INSPECTION REPORT**

Facility Name: San Jacinto County Jail

Date:

September 6, 2019

Item	Section	Paragraph	Comments
1	273	.4 (b)	Separate health records shall reflect all subsequent findings, diagnoses, treatment, disposition, special housing assignments, medical isolation, distribution of medications, and the name of any institution to which the inmate's health record has been released.

During the inspection, it was determined that the medical staff is not properly documenting daily distribution of medications and are not retaining Medical Administration Record (MAR) sheets after the end of each month for Commission review.
