

**TEXAS COMMISSION ON JAIL STANDARDS
SPECIAL INSPECTION REPORT**

Facility Name: Reeves County Jail

Date:

October 3, 2018

Item	Section	Paragraph	Comments
1	275	.1	Every facility shall have the appropriate number of jailers at the facility 24 hours each day. Facilities shall have an established procedure for documented, face-to-face observation of all inmates by jailers no less than once every 60 minutes. Observation shall be performed at least every 30 minutes in areas where inmates known to be assaultive, potentially suicidal, mentally ill, or who have demonstrated bizarre behavior are confined. There shall be a two-way voice communication capability between inmates and jailers, licensed peace officers, bailiffs, and designated staff at all times. Closed circuit television may be used, but not in lieu of the required personal observation.

After reviewing both documentation and video evidence provided by county officials, it was determined that two, face-to-face observations exceeded 60 minutes. The observations conducted at 1503 hours and at 0111 hours both were in excess of 60 minutes.

Wendy Wisneski -TCJS Inspector
