

**TEXAS COMMISSION ON JAIL STANDARDS
SPECIAL INSPECTION REPORT**

Facility Name: Taylor County Jail

Date:

March 14, 2019

Item	Section	Paragraph	Comments
1	275	.1	Every facility shall have the appropriate number of jailers at the facility 24 hours each day. Observation shall be performed at least every 30 minutes in areas where inmates known to be assaultive, potentially suicidal, mentally ill, or who have demonstrated bizarre behavior are confined.

Information received and documentation reviewed by the Commission revealed that 30 minute face-to-face observations of inmates were completed. However, video evidence proved that on two (2) occasions, 30 minute face-to-face observations were not conducted as they were notated on the round sheets and as required by medical personnel.
