

**TEXAS COMMISSION ON JAIL STANDARDS
JAIL INSPECTION REPORT**

Facility Name: Bosque Co. Jail

Date: March 16, 2022

Item	Section	Paragraph	Comments
1	275	.1	Every facility shall have the appropriate number of jailers at the facility 24 hours each day. Facilities shall have an established procedure for documented, face to face observation of all inmates by jailers no less than once every 60 minutes. Observation shall be performed at least every 30 minutes in areas where inmates known to be assaultive, potentially suicidal, mentally ill, or who have demonstrated bizarre behavior are confined. There shall be a two-way voice communication capability between inmates and jailers, licensed peace officers, bailiffs, and designated staff at all times. Closed circuit television may be used, but not in lieu of the required personal observation. Electronic sensors or cameras capable of recording the required personal observations of inmates in high-risk cells or groups of cells shall be installed no later than August 31, 2020.

A review of documentation revealed that multiple face-to-face inmate observations were not performed by jailers no less than once every 60 minutes as required. In some instances, anywhere between 1 and 31 minutes passed between rounds conducted.
